

## Encuesta de Avast-Troyanos de Banca móvil

Nuevas investigaciones a nivel global de Avast, líder en productos de seguridad digital, quien invitó a casi 40,000 consumidores en España y de once países a que compararan la autenticidad de las interfaces bancarias oficiales con las interfaces falsificadas.

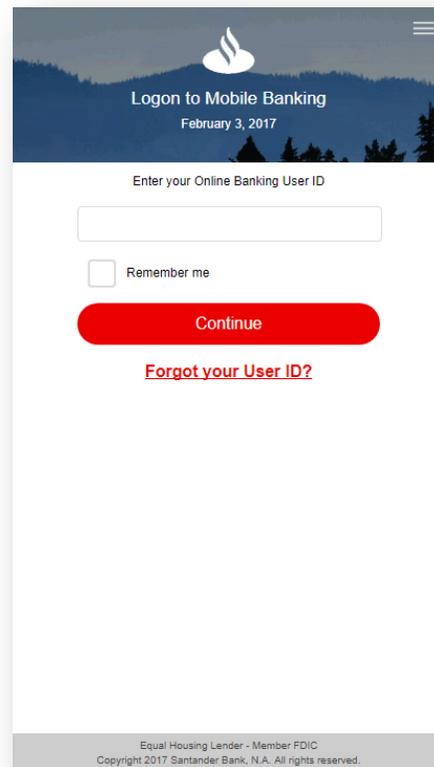

La encuesta se realizó con clientes de Avast en febrero de 2018. Tanto en México, Brasil y Argentina la interfaz utilizada para la encuesta fue la de Banco Santander. En total, 2,575 mexicanos participaron en dicha encuesta.

Interfaz real  
Santander

The screenshot shows the real Santander mobile banking login interface. At the top, there is a red header with the text "LOG ON" and a hamburger menu icon. Below the header, there is a section labeled "ID" with a text input field. To the left of the input field is a "Remember me" checkbox, and to the right is a red link "Forgotten ID?". Below the input field is a grey button with a lock icon and the text "Log On". At the bottom of the screen is a dark grey button with the text "Sign up for Mobile Banking". The status bar at the top shows a USB icon, signal strength, Wi-Fi, airplane mode, 78% battery, and the time 15:30.

Interfaz falsa  
Santander

The screenshot shows the fake Santander mobile banking login interface. At the top, there is a blue header with the Santander logo and the text "Logon to Mobile Banking" and "February 3, 2017". Below the header, there is a section labeled "Enter your Online Banking User ID" with a text input field. To the left of the input field is a "Remember me" checkbox. Below the input field is a red button with the text "Continue". At the bottom of the screen is a red link "Forgot your User ID?". At the very bottom, there is a small grey footer with the text "Equal Housing Lender - Member FDIC" and "Copyright 2017 Santander Bank, N.A. All rights reserved."
